We Are Simply Growing Older

This year RHS celebrated our "Diamond Jubilee." Sixty years ago RHS opened its doors in a red brick building on the site of the present Civic Center. Ten years later RHS continued to educate her students in an efficient new building on Cooktown Road. We felt the need for expansion in 1952 and 1968, adding new classrooms, library, gym, and cafeteria. Yes, we are growing older, but we continue to meet the needs of students.

As a stone-cutter who spends many hours chiseling and polishing a precious gem, RHS is proud of her tradition of excellence. Over the years, the name Ruston High School has become known for excellence in the fields of athletics and academics, as well as in its extra-curricular program. Evidence of this can be seen in the many Bearcats who have graduated and contributed much to society.

The Bearcat Spirit is not embodied in the school itself; rather there is a part of the Bearcat Spirit in each one of us. We see this spirit come to surface each time we clap at a pep rally, cheer for a touch-down, help a friend with homework, talk to a counselor, vote for class president, or work on a student council ticket. The Bearcat Spirit means we are one, working and playing together, sharing the good times and the bad.

Editor-Libby Woodard Business Manager-Lora Higginbotham

With each moment of passing time, we grow a little older. We look to past experiences for guidance in the future. And as we grow older our accumulated experiences make us wiser.

Ruston High School, this year celebrated her "Diamond Jubilee." We are a school rich in tradition. Through the years many things have changed at Ruston High School, but one thing always remains constant — The Bearcat Spirit. It is the spirit that enriches the lives of all her students. RHS has many and varied activities to offer those who are willing to invest a part of their life in her.

As students the activities we participate in here at Ruston High School are important part of life's experiences. Every experience makes us more mature in some way, and our days at Ruston High School won't soon be forgotten. We hope that this edition of the Resume will recall the experiences of the 1981-82 school year. Yes, we are simply growing older.

ON TO THE SUPERDOME BEARCATS

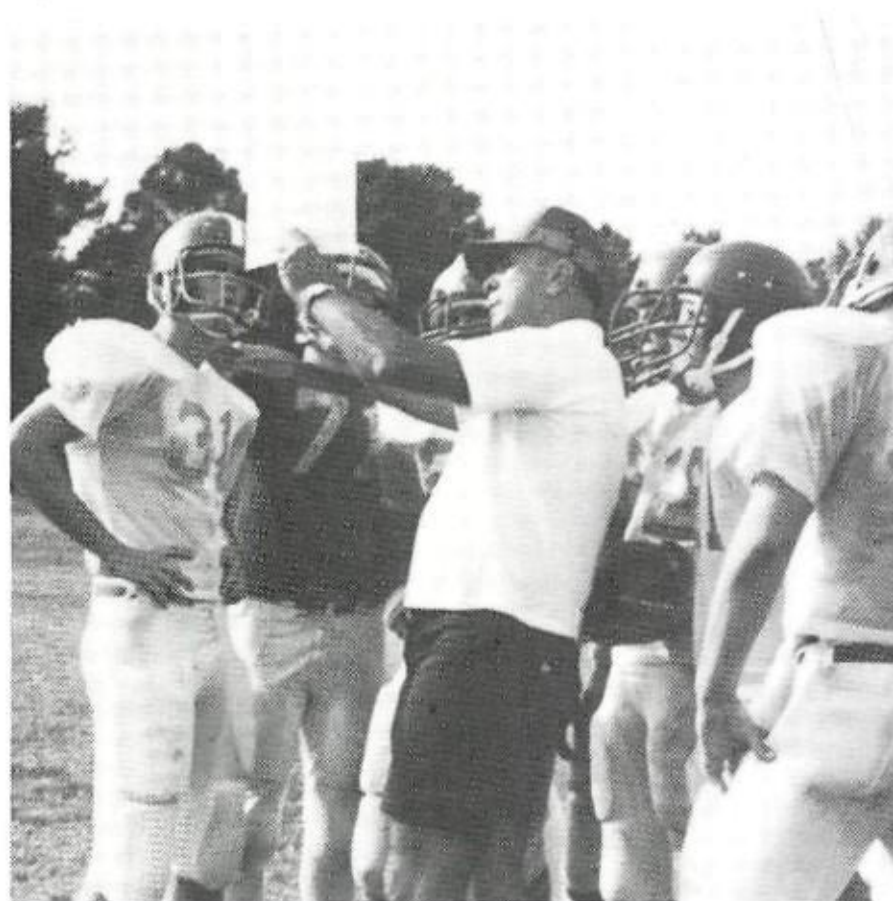

Bearcats Take District Championship

RUSTON - Jonesboro 0

The Ruston High Bearcats battled to a deadlock at zero. On a sloppy, rainy night both offensive clubs struggled as the defense dominated the game. The Bearcat coaching staff was not pleased with the performance, as they felt we did not play up to our potential.

A

B

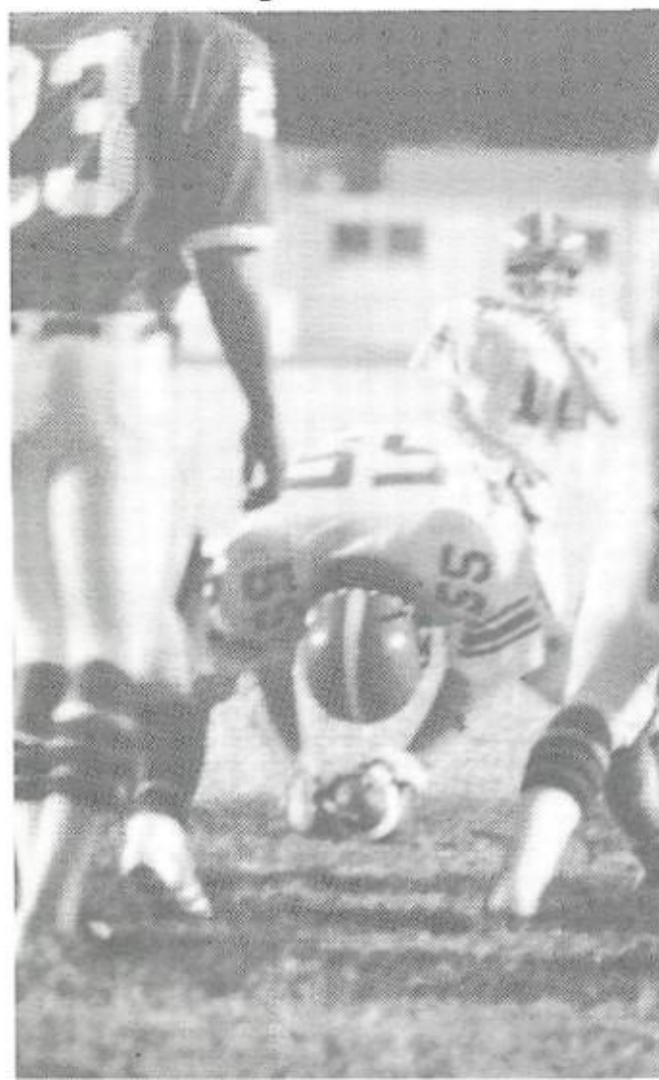

C

D

RUSTON 16 - Byrd 8

Winning this opening game was a big boost for the Bearcats. Bearcats had an early score, but it didn't have a definite effect on the outcome of the game. The offense fought back to produce a scoring drive. The two point conversion failed, but Byron Miller made up for this with a 34 yard field goal. Later in the second half, once again, the Bearcats pounced down the field to score the final time in the game. This made the final score 16-8.

E

RUSTON 30 - Bolton 7

The Bearcats showed without a doubt that they were able to come steadily with the Quad-A teams by demolishing the Bolton Baby Blue Bears 30-7. You may have heard that the offense only scored 14 points, and if so, you heard right. Al Lazarus intercepted 2 Bolton passes and returned both for Ruston scores. Then later on in the game, the Bearcats tough "front four" contributed to tackling Bolton in their own end-zone for a safety. As you can tell, the defense played extremely well, while the offense produced 2 scores after a sluggish start.

Ruston 29 - Bossier 7

The Bearcats got their best team effort in this game. They opened up with an 81 yard kickoff return by *Bernard Garr*. The Bearcat offensive team could not be denied in the first half and rolled on to a 29-0 halftime lead. During the second half, though, the second teamers couldn't get much going, and the game ended with a 29-7 victory for the *Cats*.

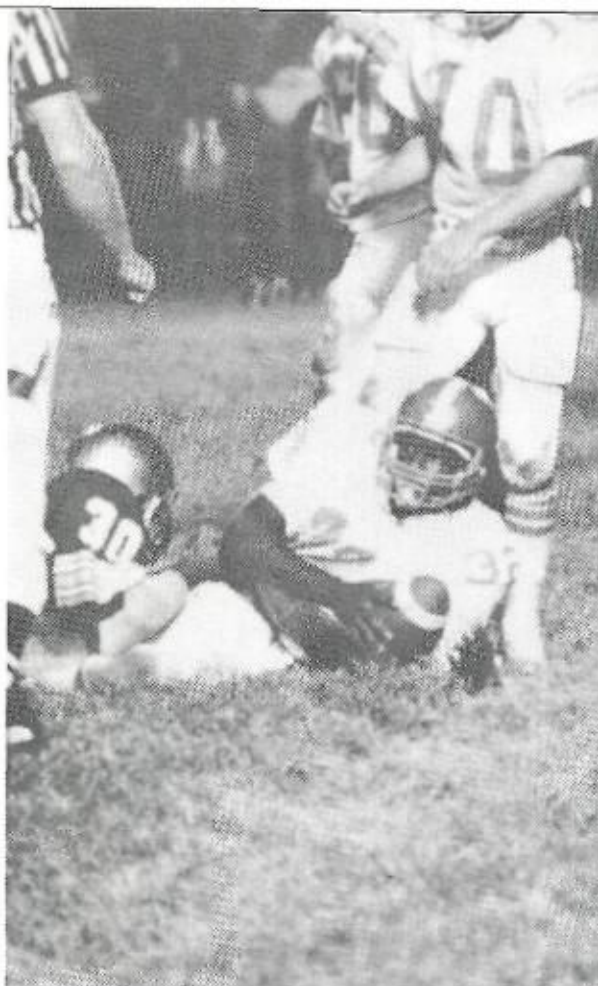

RUSTON 21 - Airline 14

The *Cats* were indeed tested in this game. We were down 14 to 0 in the first half, but drove the length of the field in the last minutes to make the score 14-7 at half. After intermission, we scored again to tie up the score. With fifty-six seconds remaining in the game, *Al Lazarus* recovered a fumble to give the *Bearcats* one last chance for their fourth straight victory. *Wayne Buggs* produced by scoring from three yards out to give the might "Crunch Bunch" a 21-14 victory.

- A Bearcat offense gets ready.

- F *Jerry* celebrates after a big play.
- G *Brooks* dumps a *West Monroe* running back.

- J *McGraw* holds him, while *Al* comes in on the kill.
- K *Barry Hamilton* turns upfield against *Airline*.
- L Please, don't hurt me!!

RUSTON 30 - Ouachita 34

The Bearcats lost their first game of the season against a stubborn Ouachita team. It was the game of the offenses, as Ruston opened up with two quick scores. But Ouachita had come to play, and also scored quickly. By the middle of the fourth quarter, the Lions had taken hold of the lead. The Cats fought desperately to come back, but it was not meant to be. We had lost our first game of the season, but another loss would not come for a long time.

- A Wayne, why are you taking it so easy?
- B Christopher runs toward goaline.
- C Players carry Coach Childress off field after Neville game.
- D The old trick play: Shannon Frasier on guard-around.
- E This is a time for Kool-Aid!!!
- F Coach Gillum instructs offensive line.
- G Mafia patrol on the move.
- H The Agony of Defeat.
- I "Oops" makes it.
- J Scott makes one of his more than 1,000 yards.
- K "I suggest that you let me go."

E

RUSTON 23 - Jonesboro 0

On a wet and muddy field, the Bearcats took out their frustrations on Jonesboro. The Tigers were never in the game, as the mighty Cats rolled to their fifth victory with just one defeat. Both the offense and the defense used Jonesboro as practice dummies to get ready for the tough district schedule ahead.

F

RUSTON 24 - Neville 6

This game was the first real test for the *Bearcats* in Quad A action. The *Cats* rose to the occasion and demolished the highly ranked *Tigers* from Neville. Everyone was a hero in the game, but *Shannon Frasier* led the way by scoring once and by making a long run, which is pretty good considering that *Shannon* is an offensive lineman. This victory proved that *Bearcat* football was once again on the rise, and that no one could take our *Cats* lightly.

J

RUSTON 6 - West Monroe

It was Homecoming night, and amongst all the festivities, the "Crunch Bunch" led the way for the seventh *Bearcat* victory. The defense rose to the occasion several times during the night, while the offense scored once, which was all that was needed. The *Mighty Cats* were only two games away from winning their first district championship in ten years.

K

RUSTON 16 - Bastrop 6

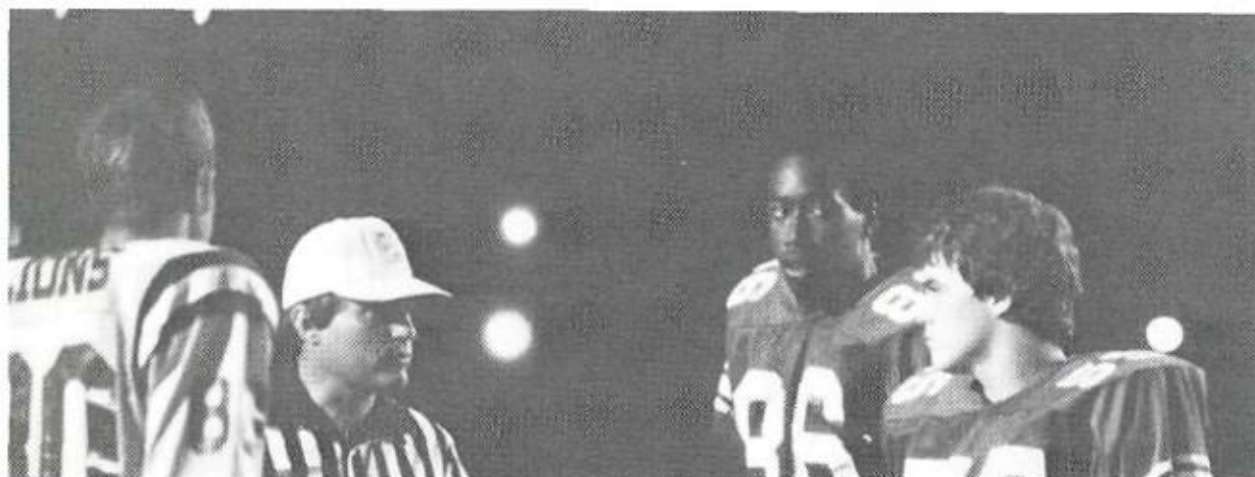

A needed victory for any play-off hopes was riding on this game as the *Bearcats* dominated to a 16 to 6 victory. *Patrick Goldsmith* had a 96 yard punt return, *Wayne Buggs* scored from 8 yards out, and *Byron Miller* kicked a 29 yard field goal to give the *Cats* a much needed victory.

RUSTON 7 - Carroll 6

This game gave Ruston its best record since the days of "Hoss" Garrett. We ended up with an overall record of 9-1 and a district record of 5 wins and 1 loss. This was a tough game, though, as the Bulldogs were determined to end our playoff hopes. But the Cats could not be denied from a victory, as the defense held Carroll to minus yardage in the second half, and after a Micheal Brooks fumble recovery, the offense took it in. Byron Miller made the extra point, which proved to be the margin of victory. The Bearcats had won the district championship!!!

RUSTON 17 - Woodlawn 16

After a week off, the Bearcats stormed into the regional playoffs with a game against the Woodlawn Knights. It was a game that will not be soon forgotten, as the Cats showed what they were made of by surviving two overtimes to defeat the stubborn Knights. Christopher Scott led the way by rushing for more than 200 yards. It was one of his better nights of the year, in which he ran for more than 1,000 yards. At the end of regulation time the score was tied at ten all. Both teams could not put the ball over the goalline in the first OT, but in the second overtime period it was a different story. Woodlawn scored first, but missed their extra point. The Cats now saw their chance for a victory. We scored, and then Byron Miller put the extra point through the uprights to give Ruston the right to move one step closer to a chance at the state championship.

RUSTON 7 - Covington 51

It was like a nightmare. The Cats had come upon Covington when they could do no wrong and the Cats could do nothing right. It was a bitter end to a near perfect season. Covington scored almost at will, while the Bearcat offense fluttered the whole night. Even our proud "Crunch Bunch" could not stop the powerful Covington running backs from running up and down the field. The Cats had come so close to not be able to "roam in the Dome," but the Resume staff would like to express our congratulations for a fine season, and also give our thanks to a great team, who for thirteen weeks gave the student body at Ruston High something to be proud of. Everyone at R.H.S. will remember the 1981 Bearcats with pride and love.

M

N

RUSTON 16 - Opelousas 13
The CATS traveled to South Louisiana for their quarterfinal matchup against a lightning-quick Opelousas team. The Bearcats scored quickly, jumping out to a 16 to 0 lead before the Tigers knew what hit them. Opelousas came back and scored 13 points before the half was over. The second half belonged to the defenses as neither team could move the ball effectively. The Cats had almost completed their "Cinderella story," as they were now only two games away from being called State Champions.

- A Wayne Buggs eludes the Covington defense.
- B Captains Cobb and Faison prepare for the flipping of the coin.
- C Goldsmith on the start of his 96 yard punt return.
- D Shannon tries every way to block against Covington.
- E It'll be alright!
- F Hang on to that ball, Roderick!
- G Coach Lantrip instructs Dan on the plays to come.
- H Just a few more inches.
- I Mike just can't believe what's happening against Covington.
- J "Crunch Bunch" demonstrates their work.
- K Robert McGraw takes care of a Covington running back.
- L My Mama told me not to become a Coach.
- M Marcus tries to escape.
- N Christopher digs in for more yardage.

The Ruston frosh had a tough year with only one win over Ouachita by a score of 42-0. Ruston was outsized and outnamed much of the year by teams much bigger than they, but they gained much experience for future years.

Jam it in, Ronnie!

The Ruston Bearcats had a rebuilding year in 1981-82, after losing all of last years district championship and semi-final team starters. The young *Bearcats* showed much enthusiasm and the "never say die" *Bearcat* spirit even though their record was only 5-18.

Playing in our new district, 3-AAAA, the competition was very tough. The district contained some of the best teams and players in the state. The *Cats* finished the district slate with a 1-9 record. JV Struggle Through Year

The young JV squad experienced a tough season as did their counterparts, the Varsity. In the early season the JV won a couple of games against tough 1-AAA teams in Minden and Haughton. Then they entered the district season against more experienced teams, losing many by few points. Despite a bad-looking record, these boys gained poise and character for the upcoming years.

The freshmen basketball team had a very successful season. They ended the year at a five-win and only two-lose slate. Led by Rusty Hale, Dale Lloyd, Ronald Stringfellow, and Barry Taylor, the "Baby Cats" showed that they will have to be reckoned with in the future.
